Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I maintain my original objection to application DC/26/1312 in full. Having reviewed the amended plans, I do not consider that the revisions address or materially alter my concerns regarding overlooking and loss of privacy, the cramped and over-intensive development of the plot, or the effect on the established spacing, openness and character of the area. I therefore continue to ask that planning permission be refused.

Kind regards
