Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Trees and Landscaping
Comments:	I am writing on behalf of the Horsham Society to object strongly to this application. The land in question forms part of a dense defensive strip separating Harwood Road from the houses in the roads behind, including Belloc Court. It forms part of the original layout of the road and surrounding development and serves to create a semi rural appearance and feel to Harwood Road itself. The enclosure and/or clearance of the area would result in a severe loss of amenity for the public at large and in our view the appearance of a fenced enclosure at this point would be both bizarre and seriously out of keeping with the overall street scene.
