**Subject:** HOMES ENGLAND DISREGARDING WARNINGS FROM HISTORIC ENGLAND REGARDING WEST OF IFIELD SPECIALIST ARCHAEOLOGICAL ADVICE' GIVEN BY HISTORIC ENGLAND

Dear Cllr Ruth Fletcher and HDC Team

Following research undertaken ['Emergency Committee', Crawley Observer-Sussex World, Sept 24], evidence clearly suggests Homes England are blatantly disregarding environmental and ecological warnings given by Historic England - especially regarding possible subsidence within the vicinity of St Margaret's Parish Church and its surrounds ['Homes England faces volley of questions at West of Ifield presentation', Crawley Observer-Sussex World, Sept 24]:

Enough is enough.

Horsham District Council must throw this West of Ifield masterplan in the bin and start afresh with a new, sound, legally-compliant Local Plan.

Yours sincerely
