Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	The original dwelling was a 2 bedroom house keeping in line with this very quiet cul-de-sac Since being sold in August there have been a large increase of children hanging around the neighbours areas and increased vehicle traffic into the area. The woodland adjacent to the cul-de-sac has also been cut down with heightened security issues owing to the gated access from

the main road to the area.
Increasing this small house with the proposed extension would double the size and increase the occupancy which would damage the peaceful and quiet area that some have lived since building.

Kind regards
