Dear Sir/Madam,

Demolition of existing modular classrooms and the erection of a single storey rear classroom extension and associated landscaping

Slinfold Church of England School The Street Slinfold Horsham

I refer to the consultation received in this office on 4th March 2025 concerning the above site.

This Authority has **no objections** to the principle of the development.

The comments of Horsham District Council's Environmental Health Team are as follows: -

The school will be continuing to use an oil-fired boiler for heating and hot water rather than air source heat pumps. Accordingly, there are no EH comments on the proposed demolition of existing modular classrooms and the erection of a single storey rear classroom extension.

If you have any queries or wish to discuss further please contact the above mentioned case officer.

Yours faithfully

Emma Parkes
Head of Development and Building Control
