Comment

I write in support of the above application. [REDACTED] Lake Investments LTD has engaged with the community at a high level and where possible has cosidered local comments to the proposals. [REDACTED] has engaged directly with us at Hillcrest Farm and the application is satisfactory to us .we consider the proposal will be a significant improvement over the current use given the removal of the AD plant, hopefully it will increase local jobs as well as an improved visual appearance of the wider site.
