Address:	Dawtreys Bracken Lane Storrington Pulborough West Sussex

Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	At the meeting of Shipley Parish Council held on 10th October 2025, Members voted to SUPPORT the application. Members noted that the proposed additional lighting is described as down lighting. The applicant's lighting report is inaccurate as it states all existing lights are downlights. The specification of the lighting towards the end of the report shows arc-style lighting as well, which would be forward-facing on the south and east elevations, defeating the dark skies objective. Members would like to see all lights as downlights, not arc lighting.

Kind regards
