RECOMMENDATION:	~~Advice /~~ No Objection ~~/ Objection / More Information / Modification / Refusal~~
SUMMARY OF COMMENTS & RECOMMENDATION:	
MAIN COMMENTS: Dear Hannah, The barn is fully established as a dwelling following conversion in the 1990s. The conversion is generally sensitive to retaining an appreciation that this is a historic farm complex. The current proposals will result in no greater impact to the special interest of the listed building. I am satisfied the change of use and physical alterations will not be harmful. No detailed conditions are required. Regards, Seán
