Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Loss of General Amenity- Other- Overdevelopment- Trees and Landscaping
Comments:	This development is totally unsuitable, unsustainable and unwanted for multiple reasons: Inadequate infrastructure to cope with extra traffic; This is a village with minimum facilities in way of shopping, schooling, parking, policing, transport, sewage and utilities network.

There already are a number of new houses imposed and being built in the Village.

This is a Village not a town!!

The area is liable to flooding every year which will only get worse with the trees being cut down and landscape destroyed. Not to mention the adverse effect on the local wildlife habitats and corridors.

I STRONGLY OBJECT TO THIS DEVELOPMENT!

Kind regards
