### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Having approved 152 houses behind Ashington church, it's outrageous to seek more new dwellings elsewhere. Yet again, objections are being raised by the water authorities, as the water supply is already stretched, and the police lack the capacity to oversee more people. Affordable housing brings with it the risk of what we've seen elsewhere in the news, due to a lack of control over immigration. The proposed site is also a flood plain. Stop bowing to government pressure. Reject this application AND the one in Church Lane. Those living in any new housing estates will

find there are no places at the doctors or dentists. Shopping is limited too.
