| Reasons for comment: | <ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Overdevelopment</li><li>- Privacy Light and Noise</li><li>- Trees and Landscaping</li></ul>   |
| Comments:            | I object to the proposed bungalow as it would despoil an area of amenity and health benefit to many local residents. This green area is also of value to wildlife and its destruction would adversely affect both humans and the local ecosystem.<br>There is no appropriate vehicular access and the creation of such |

would result in decreased air quality, and disruption to vulnerable neighbours with noise and traffic. There would be also a substantial negative impact on privacy, and worsened light pollution.

In turn, this would lead to overdevelopment alongside additional parking stress in a congested area.

In short, this proposal is unsuited to such a site.
