Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	Having lived in the hamlet for over 10 years we really value the history the buildings hold and feel any change to the original building would be detrimental. Having spent time in Rock house cottage it's a very unique property with huge amounts of charm. I feel any changes to the proposed rooms would really affect the authenticity and also affect the integrity of the neighbouring Rock House.

Kind regards
