Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Trees and Landscaping

Comments:	Building Positioning within the site is well thought-out, some of the existing trees and Laurels are in a poor state and have not been maintained for many years, hopefully the existing vegetation that is dead or overgrown will be tidied up, or removed and replaced as part of the planned landscaping proposals for this new development.

Kind regards
