Dear Steve,

Re: DC/26/1536
Erection of a part single-storey / part two-storey rear extension. first floor front extension and alterations to fenestration
9 Easton Crescent Billingshurst West Sussex RH14 9TU

At our Planning and Environment committee on Tuesday 3rd November, the committee resolved to object to this application as the additional bedroom and the conversion of the garage to a habitable room still increases occupancy and removes the opportunity for offroad parking, increasing the need for on road parking in a small cul-de-sac. This maintains our stance against previously refused DC/26/0819.

Kind Regards,

Richard
