Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	19 Wimblehurst Rd, Horsham
PROPOSAL:	Fell 1x Weeping Ash (Works to Trees in a Conservation Area)
REFERENCE:	DC/24/0520
RECOMMENDATION:	No Objection
SUMMARY OF COMMENTS & RECOMMENDATION: Horsham Denne Neighbourhood Council has no objection to this application (See main comments).	
MAIN COMMENTS: Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Weeping Ash tree has died as a result of a huge cavity 3m in height on the main stem. As a result the dead tree is dropping twigs from the main crown area. As the tree is close to the building it could become a hazard. It therefore should be felled and all debris removed. The stump can be ground out to a depth below the root plate. Therefore HDNC has no objection to this application.
