Comments:	This is a disaster if it is passed We have lived here for the past 50 year, our children and now our grandchildren enjoy the fields, wildlife and open space of this area The woods have been a haven for Deer and other wildlife that come onto these fields This is an area of Outstanding beauty as stressed in our previous campaigns to stop the house building We need this open green spaces to separate us from Crawley and not become a concrete jungle The welfare of our wellbeing via walking, hiking, dog walking among these fields is very important to us to watch the deer in the mornings in this field is uplifting and the birds of prey that nest in the woods that fly over these fields (buzzards)

We hope and pray you listen to us again and throw this application out, like before [redacted]

Kind regards
