**Subject:** DC/26/0914 Land at Wickhurst Lane Broadbridge Heath

**Categories:** Consultations

Dear Shazia,

I am satisfied development of this parcel of land could be achieved without impact to the setting of the listed buildings in the vicinity. I have reservations about the scale and design of the proposed dwelling in relation to its neighbours and the impact this will have in the street scene. This will not amount to harm to the setting of the listed buildings.

Regards,
Seán
