Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	I am concerned that the proposed development will drastically reduce the amount of daylight we get and leave the front of our house in shadow from mid morning onwards. As we are the last on the terrace and a corner plot we already have less light than other properties. The windows will also look directly into our living room, affecting our privacy.

Kind regards
