Subject: DC/24/0757 - Rowan - Change of use of swimming pool

Categories: Comments Received

I refute WSSC's assertion that there are no apparent visibility concerns with vehicles leaving Rowan's drive.
Our drive is approximately 30 metres further from the bend, and the sight line is so poor that we always have to be extremely careful when pulling out into the road, even with the relatively new 40 mph limit, which is frequently ignored.
I believe that a site visit, rather than just a map inspection, would confirm my opinion.

Regards,
