Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	There has been lots of smoke in the village all overnight and morning. This is obviously hazardous material as it smells dreadful like burning tyres and building materials. This is a health hazard to all the community along with the farm animals and wildlife in the area. The smoke was so thick it also causes restricted visibility when driving. They are contaminating the environment.

Kind regards
