Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Privacy Light and Noise</li><li>- Trees and Landscaping</li></ul>
Comments:	Object to this. The burning of waste currently on this site and the air pollution in Cowfold currently is unacceptable. Will this become the new norm for the residents?. We do not need this sort of development that does not meet the needs of the local community, this just compromises the environment in which we reside.

Kind regards
