Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	The land owner, who is making the application has disregarded the local community, the environment and the law. First dumping hazardous waste, then burning it. This has resulted in toxic fumes spreading across Cowfold, but much closer the elderly care home. The site is close to a water course, which is now likely to contain contamination after the heavy rains of the last few days.

Kind regards
