YOUR COMMENTS ON THE CASE

Re: Appeal Reference APP/Z3825/W/25/3364755
Site: Bridge Farm, Coolham Road, Coolham, West Sussex RH13 8GP
Dear Sir/Madam,
I am writing as [redacted] resident of this village, where I have lived peacefully for many years. I have already submitted an objection to the original planning application, and I now feel compelled to write again in opposition to this appeal.
[redacted] I am often woken as early as 4.30 or 5am by the noise of engines and screeching brakes. The proposal to formally allow trucks to return to Bridge Farm from 5am and arrive on site from 6am would only legitimise what is already a serious disruption to our lives. [redacted]
The roads are narrow, and walking safely through the village has become increasingly difficult. [redacted]
This is a small rural village, not an industrial estate. The character, tranquillity, and community we've always known here are being eroded bit by bit, and I can't help but feel that we — the people who have built our lives here — are being overlooked.
Please, I implore you to dismiss this appeal. Let us live in peace. I ask not only for myself, but for all the residents here who are deeply affected by this.
Yours sincerely,
[redacted]
