Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I strongly object to access being granted through Carter Drive and or Sargent way the roads are not built for this level of traffic and they are sections with no pavements. It's extremely dangerous to even consider allowing this, there are so many young children on the estate (many of whom walk to school that way) access should be off the road between Tesco and Coop

Kind regards
