Dear Sir/ Madam,

DC/24/1099

With respect to the Retrospective application for 50 St.Leonards Rd.

Pictures often explain the issue.

Image 1 shows the property before the work commenced.

Image 1

Image 2 shows the same property. It is offensive and jarring to the eye as it does not fit in with any of the surrounding properties. It stands out as it appears to be a portacabin added to the existing building with NO effort to retain any character or the property nor fit in with the area.

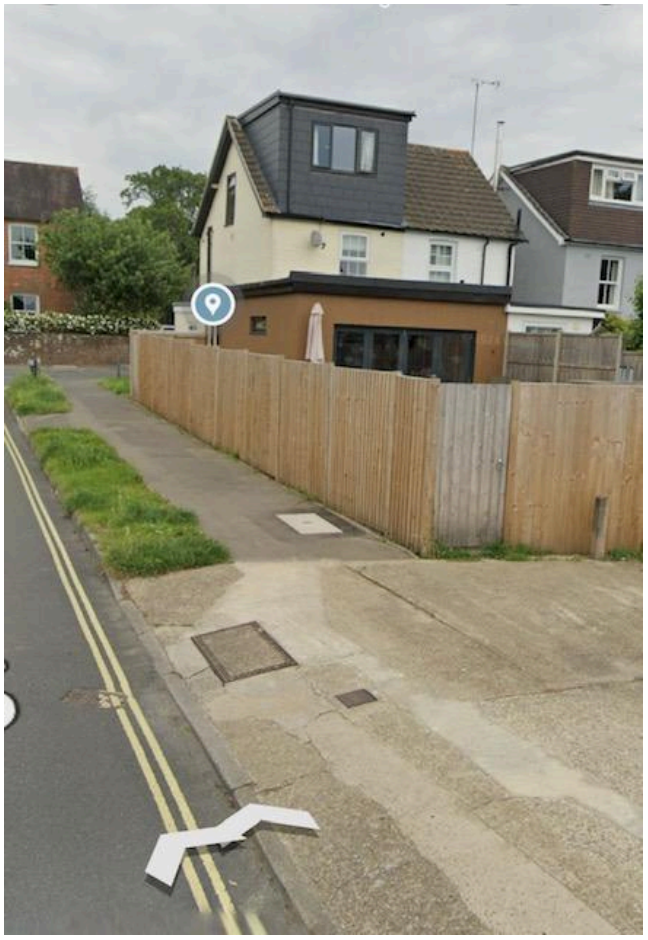

Image 3 shows the property has been extended beyond the owned land as the title plan shows the boundary.
