Dear Toby,

Further to your query dated 1 October 2026, the Local Planning Authority's decision is set out below.

Following a site inspection undertaken by Andrew Bush, it has been confirmed that the tree protection fencing has been installed in accordance with the approved details and the requirements of the condition. On this basis, the Local Planning Authority is satisfied that the condition has been complied with and is therefore formally discharged.

Please note that this correspondence will be placed on the planning file for application DC/26/0332 for future reference.

Kind regards,

Shazia Penne
