Application Number: DC/25/0317

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr J Burrows Promethean Planning Ltd

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby REFUSE to permit the works specified hereunder, that is to say:

Application for the continuous use of land for the stationing of 2 static caravans for residential purposes and associated day rooms. Erection of two stable blocks and associated landscape works (Retrospective).

Land West of Parsons Field Stables Pickhurst Lane Pulborough West Sussex

as shown on Plan and Application Number DC/25/0317 submitted to the Council on 03/03/2025. The reasons for the Council's decision to refuse to permit the above works are specified hereunder.

- 1 Insufficient information has been provided to demonstrate with a sufficient degree of certainty that the development would not contribute to an existing adverse effect upon the integrity of the internationally designated Arun Valley Special Area of Conservation, Special Protection Area and Ramsar sites by way of increased water abstraction, contrary to Policy 31 of the Horsham District Planning Framework (2015) and the National Planning Policy Framework (2024), thus the Local Planning Authority is unable to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority Habitats & Species).
- 2 It has not been demonstrated to the satisfaction of the Local Planning Authority that the proposal would not result in an adverse visual and/or landscape impact, or cause harm to the semi-rural character and setting of the site, with particular reference to the laying of hardstanding and removal of hedgerow and impact on adjacent woodland. The development is therefore contrary to Policies 23, 25 and 33 of the Horsham District Planning Framework (2015).
- 3 Insufficient information has been submitted to establish the protection of the ecological and biodiversity interests of the site and whether suitable mitigations or enhancements are necessary and achievable, contrary to Policy 31 of the Horsham District Planning Framework (2015).

Note To Applicant:

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION**Right of Appeals**

If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>.
