Comments:	<p>This field has been used by children adults dog walkers etc since the 1960s and to even consider building anything on the field would be a disgrace.</p> <p>The plans have no access to the site so no car parked and rowlands Road has cars parked on pavements as it is as there's not enough parking spaces.</p> <p>I personally grew up near there and now 50 years later walk my</p>

dog regularly.  
I hope the council see this is a regularly used field and one of the  
only green spaces in the lambs farm area.  
Thanks for reading this
