| Comments: | <p>This green land is perfect for the young families to use, many young children meet here and are able to have fun away from busy roads.</p> <p>This plan to build 1 property is ludicrous, when there are so many houses left empty, make the use of the already built new build properties in the local area.</p> <p>We do not need to build an extra property so close to where there are other houses and the privacy This would detract from.</p> <p>Kind regards</p> |

Kind regards
