Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Loss of General Amenity</li><li>- Overdevelopment</li></ul>
Comments:	Due to such restricted parking and reduced safe areas for children to play - [REDACTED] [REDACTED] this is going to make an already over crowded area more so. Roads are already rammed with cars parking on roads due to lack of space and this will add challenges to access to the 2 schools that are off the side roads to this development. This would there increase risk to children and families trying to to get children to school. This will take away from the beauty of the area and will over look surrounding properties.

Kind regards
