Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	It's important that the club keep improving the stadium with the number of children and parents each day with over 400 children who attend over the course of the week especially during winter wet months..I don't believe this will impact anyone outside of the club as this has nothing to do with the amount of parking issues this may incur

Kind regards
