Hi Nic

The information provided is ok but what the letter doesn't say clearly is that no material from off-site will be imported.

Can you ask for an email to confirm that no off- site soils are to be brought to site.

Thanks

lee

Dear Sir/Madam,

Application for Approval of Details Reserved by Condition 3 to approved application DC/23/1174

Land at 509354 126590 Hilland Road Billingshurst West Sussex

The above application for discharge of conditions was received on 9th January 2024.
This application concerns the discharge of conditions attached to the original planning application, and we should be pleased to receive any comments you may have regarding the following matters

Should you wish to make any further comments on the application, please do so within 14 days.

Details of the application can be viewed through our Public Access webpage at https://public-access.horsham.gov.uk/public-access/search.do?action=advanced .

Yours faithfully

Emma Parkes
Head of Development

PUBLIC ACCESS
User Notes

To access the Planning Applications system and locate the planning application you need to view, please follow these simple instructions:-

To get to the applications screen within Public Access on the HDC Internet site type in the address https://public-access.horsham.gov.uk/public-access/ :

- You can save the Public Access page as a favourite to your PC for future access.

1. Simple Search

- To search for a Planning Application by its reference (e.g. DISC/15/0001), type the reference number into the search field and click **Search**
- The details of the application should now appear, from here you can view the documents related to the application by clicking on the **Documents** tab and then clicking on the **View associated documents** link

2. Advanced Search

- To search for a Planning Application by using other information (e.g. Parish or Application Type), type the information into the desired field and click **Search**
- The details of the application should now appear, from here you can view the documents related to the application by clicking on the **Documents** tab and then clicking on the **View associated documents** link
