Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	The Parish Council notes the concerns of Southern Water and missing information in the application regarding the handling of wastewater, and agrees that this issue needs a resolution before any approval should be given to this application. Some members also questioned the potential overdevelopment of the relatively small plot and the effect that this would have on the street scene, but on the whole the committee feels that the

development should be fine once the water questions are resolved.

The Parish Council rescinds its holding comment submitted on the 20th October 2026.

Kind regards
