Refuse Requirement

(From https://www.horsham.gov.uk/waste-recycling-and-bins/household-bin-collections/order-a-bin/order-bins-for-a-housing-development/supply-of-bulk-and-wheeled-bins-for-housing-developments)

3. Multi Occupancy Properties (Flats)
The Council has agreed the following in terms of standard for each type of material. These sizes are per dwelling:

- (i) 180 litres for residual waste
- (ii) 240 litres for mixed dry recycling

The specifications above relate to each dwelling in a multi occupancy property and are used as a general guide to assess the size and number of bulk bins required. The sizes and specifications of bulk bins that the Council are able to empty are below and these can be purchased from the Council:

- (i) 1100 litre Green Top Bulk Bin for residual waste
- (iv) 1100 litre Blue Top Bulk Bin for mixed dry recycling

Therefore 8 dwellings require
Residual: 8no x 180 = 1,440 litre (2no 1,100 litre bins)
Recycle: 8no x 240 = 1,920 litre (2no 1,100 litre bins)

8 bicycles:

Semi vertical Cycle Rack
- 305mm centres spacing
- Hot dipped galvanised to EN ISO 9001: 2015
- Surface fixed.
- BREEAM compliant

Semi Vert Rack Dimensions :
Height : 1685mm
Depth : 1145mm
- 8 bikes 2440mm

Tyre Channel Width : 60mm internal, 80mm external

IMPORTANT:
The window next to the bike rack is already specified as obscured and non-opening (the bedroom has another main window) so there will be no impact on the amenity of the resident
