Subject: Oak Cottage - DC/25/0557
Attachments: Gate House.pdf, The Potters - Next to Football, Netball grounds.pdf
Importance: Normal

Hi Halima,

Please find attached two other examples to the proposed project at Oak Cottage.

The Gate House name is on the front of the house although the garage is much further to the side of the property, making it impossible to get both in one picture.

The Potters is right next to football & netball courts, unfortunately the owner wasn't to approachable so my apologies for the photos not being 100%.

Warm regards,

Ian
