Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is a private dwelling place which is similar in nature to other properties along the same road that have been altered under a Lawful Development Certificate.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The loft conversion has been designed within the constraints of permitted development and the new roof volume has been calculated to be within the 50m3 tolerance. The design is similar in nature to several other examples along the road which have also been accepted under a Lawful Development Certificate.

- [x] Yes
- [ ] No

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- [ ] Yes
- [x] No

Interest in the Land

Please state the applicant's interest in the land

- [x] Owner
