Reasons for comment:	<ul style="list-style-type: none"><li>- Loss of General Amenity</li><li>- Overdevelopment</li><li>- Privacy Light and Noise</li></ul>
Comments:	A dwelling for the proposed business means more intrusion in the countryside adding light pollution and further need for water.  The access is a real issue for all traffic let alone heavy traffic such

as horse boxes and trailers. A long unmade bumpy and hazardous track.

Plus the access for emergency services remains high risk which has not been addressed.
