Customer Details

Address:	37 The Hooks Henfield

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	I recognise the need to remove diseased trees. However I would question the plan not to replant. The area around Tanyard is one of the most beautiful leafy areas of the village in the heart of the conservation area. Over the last few months we have lost a number of trees in that area around Tanyard leading to Blackgate Lane. I urge the council to consider carefully this loss. The trees and vegetation which has been cut down (shrubs essential for small birds) is an important corridor for wildlife, especially bats.

Kind regards
