PHLO Comments: 14th November 2023

I met with the applicant on site to discuss this application.

This department have no objections to this proposal but make the following comments for consideration by the Planning Department

- Craft fairs and other events should be restricted to operate between the hours of 09.00 until 22.00.
- Associated music from any events, amplified or otherwise should be barely audible at the nearest noise sensitive property.
- Details of any proposed external plant or security lighting should be submitted and approved by the Planning Department prior to any development taking place.

Should you wish to discuss this matter further please do not hesitate to contact me.
