Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Other- Overdevelopment- Privacy Light and Noise
Comments:	Too many houses being currently built. Already wait times at go surgery are 3 + weeks. A full school. A local shop that cannot deal with the demand of the current villagers. Poor road leading to and from the proposed site. Disruption cause by current building works have effected the local residents massively already this will have a much larger negative impact.

Kind regards
