Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Overdevelopment</li><li>- Trees and Landscaping</li></ul>
Comments:	<p>The wildlife within the area is already struggling to loose yet more land to housing will limit them even more to find food. The hedgehog population is all ready struggling with [REDACTED] attacks and being run over to remove yet another safe habitat for them will I feel dramatically reduce their numbers within the local area</p> <p>The site also has poor access and being opposite a busy industrial site will only make it more dangerous and difficult.</p>

Kind regards
