Information being requested – Please answer the following questions as fully as you can. Any information you can provide is important. Thank you.

1. Do you know the site and if so from about what date and how? e.g. because you are a neighbour or have been there or seen activity etc.

We have lived opposite the property since summer 1992. We watched the work done on the roof during Autumn 2024.

2. Do you know who operates from the site or lives there? If so who?

We have not met the new owners – as we believe the house was recently sold?

3. Are you aware of the Activity described above and if so from when.
How would you describe what goes on or what is there?
What do you know of the use or development that exists and how do you know? Does it affect you in any way i.e. noise, traffic, views?

We are aware of the work to instal a new clay tile roof on 'The Round House'. We could clearly see all the work carried out to the front – but have not seen the back.

P.T.O.

The new roof does not affect us in any way, and it very similar (visually) to the previous roof.

4. Would you like to tell the Council anything else that you think the Council ought to be aware of at the Site?	N/A
