Reasons for comment:	<ul style="list-style-type: none">- Other- Overdevelopment
Comments:	<p>A development of this size & positioning is a step closer to joining Crawley to Horsham in a constant sprawl of green fields & woodlands being destroyed.</p> <p>Indeed the application lists leisure facilities, a school, landscaping etc, but my main concern & objection is, that, (like Boars Hunt,) there is never an insistence or any legal requirement to put in place doctors nor dentist facilities. This puts a strain on surrounding areas where availability of either of these two essential services all already difficult for existing home dwellers.</p> <p>We also have Horsham hospital not operating on a fully functioning facility with only limited services & this continual overdevelopment puts strain on this too & means existing residents are not fully supported.</p> <p>Also my concern at the lost of identity for Horsham as a historic market town is getting closer to the popular & long standing concern in the community is that we will soon be known as "Crawsham" as these large development .</p>

Kind regards
