Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Overdevelopment</li><li>- Privacy Light and Noise</li><li>- Trees and Landscaping</li></ul>
Comments:	The development has been 'finished' for a few years now and this would cause a massive disruption to our living. Also trying to sell a property on building site becomes very difficult.

The roads are not fit for purpose as they are, let alone all the big vehicles coming through. Centenary Road is very tight and it would be dangerous. Our children play outside as they can't play in the park that millers were originally meant to sort out as it's not safe for children. It's a mess and an embarrassment.

We didn't buy our house to live in a building site again
