Comments:	We live at Little Dunnocks, Emms Lane, and support this application. It is a modest single-storey rear extension to an existing family home. It sits behind the cottage, so it has little or no impact on the street scene or the rural character of Emms Lane. Its scale and design are in keeping with the original cottage. Being single-storey, it does not cause any overlooking, loss of light or loss of privacy for neighbours, including us. It lets a local family stay in and adapt their home rather than move and therefore we are supportive [redacted]

Kind regards
