| Comments:            | <p>The development should not take place at all. This is the third of three reasons that I am making comments on.</p> <p>Post build, there will be a significant increase in vehicular activity caused by vehicles owned by the residents plus also delivery vans (e.g. couriers, supermarket deliveries etc.). There is no pavement on Furners Lane, and it is not realistic for one to be put in.</p> <p>Pedestrians using Furners Lane will be at considerably more risk of accident.</p> |

Kind regards
