Subject: RE: Planning Application Consultation - DC/25/1994 Chancton Down Horsham Road Steyning EH response

Follow Up Flag: Follow up
Flag Status: Flagged

Hi Bethan

The main concern with the application is that the cattery building is located immediately on the boundary with the car park and businesses operating from the Chanctonfold business park. It is recommended that an environmental noise survey is provided to ensure the proposed development does not prejudice the operations at the business park and the agent of change principle is appropriately considered.

Regards

Lee
