Reasons for comment: - Design

Comments: Given the time this and more especially other local sites like this have remained derelict, I think this will be a suitable replacement to what is an eyesore and will be in keeping with local properties. I can see no objection even being considered due to increased traffic given the large amount of vehicles we now deal with now Presteigne haulage have moved into Coolham I hope this proposal gets approved and other local sites in sincox lane follow a similar path

---

Kind regards
