Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other
Comments:	Planning and Environment Committee 4.3.25. Members raised a strong objection to this retrospective application, adversely impacting this rural location and wildlife habitats. The chosen location of what are considered to be overbearing signs raised concerns over the access route to the development in due course and, had the potential to encourage

visitors to the site and tradesman via Wooddale Lane, unsuited to both increased volumes of traffic and for parking.

Kind regards
