Customer Details

Address:	9 Hyde Lane Upper Beeding

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	I object on the grounds of costs to the tax payer. The clerk does not work full time. The current working conditions are more than adequate for one person who works part time. I am sure there is a hot desk system at Horsham district council offices and the clerk could use one of those. Why does the tax payer need to pay for architects, surveyors, planning applications. For one person to work. Also since covid there is working from home. Nobody charges

their company for wifi etc and neither should the clerk. So why is he not working from home when he already has facilities at home.

Previous clerks have worked from home.

Objection on the grounds of costs and to no value to the residents of the village. The monies being spent can be spent else where on better things that would benefit the community not one person

---

Kind regards
